LMRBatteries
Land Mobile Radio replacement batteries

GOLD PLATED CONTACTS

Our replacement batteries feature rugged housings and gold plated contacts for better performance, durability and long service life.

BUILT WITH JAPANESE CELLS

We supply batteries incorporating only Japanese cells and built to meet the highest quality control standards.

24-MONTH WARRANTY

Benefit from TCED's industry leading 24-month warranty on all our LMR batteries.

PRIVATE LABEL

Reinforce your brand identity with our Custom Private Label Services.

TCED is fully dedicated to offering products that reflect our commitment to achieving and upholding high standards in all of our initiatives and services. As we are conscious of the constant challenges to offering the best solutions in terms of efficiency, we therefore provide you with TCED Worldwide's complete range of battery products, ensuring high-performance, reliability and durability.
